- **SERVICES INCLUDE** – Lubrication System High Velocity Flushing, Lubrication System Chemical Cleaning, Confined Space Entry, Reservoir Cleaning, Oil and Fuel Filtration, Vacuum Dehydration on Water Contaminated Oil, Filtration Equipment Rentals, Reliability Consulting. With a Specialization in the Power Industry.

BACKGROUND:

Petroleum and More Field Services is owned and operated by Service-Disabled Veteran, TJ Scollard. After meeting his service requirements in the United States Marine Corps as a Non-Commissioned Officer, TJ Scollard started his Career in the Petroleum Distributions and Industrial Services Field. While working in this field he held multiple titles including, Operations Manager, Project Manager and Director of Field Service. While in the Petroleum Field TJ worked closely with many Utility Companies such as, Southern California Edison, Pacific Gas and Electric, Arizona Power Services, Nevada Energy and Mid-American Energy Holdings. After 16 years in the Petroleum Industry TJ decided to change courses in hopes of better understand the dynamic in the Government Sector. This led him to a new career as a General Superintendent for a General Contracting 8A Firm with an emphasis on Government Contract Awards. During the 3 years TJ worked on Government projects on United States Military Bases such as Camp Pendleton, 29 Palms, China Lake, Marine Corps Logistic Base Yermo, and Naval Air Station El Centro. He worked closely with NAVFAC SOUTHWEST and ARMY Corps of Engineers on these Projects. After having acquired a better understanding of the Government Contracting side, TJ decided to go and branch out on his own. This is how TJ came to start Petroleum and More Field Services.

UNIQUE VALUE:

Petroleum and More Field Services has many outlets to procure from, meaning, getting a product on time to meet the demand is not an issue. P&M prides itself on having contacts in many of the western states to accommodate all Fuel, Lubricant and Service Needs.

PETROLEUM & MORE FIELD SERVICES, INC.

Providing You **More**
Than Just "The Industry Standard"
